## War Rumors.

The war between China and Japan is still on. So far the Japanese have all the best of it. How long this will last, time alone can tell.

Flushed by their numerous victories, the Japanese are pushing their armies into Chinese territory. The capture of Ping Yang with its forts and treasure was their first great success.

The naval battle at the mouth of the Yalu River and the total destruction of three Chinese men-of-war followed this quickly. The final expulsion of the Chinese from Corea and the capture of Kiew Lien Chang left the road open to the Japs to both Moukden and Peking.

To carry on this warfare Japan has (so far) enlisted one hundred thousand men aside from her regular standing army, and hundreds of the bone and sinew of the land of the chrysanthemum are crowding the recruiting offices daily. This has caused the price of labor to increase 100%.

In consequence Japanese material and products of every description have nearly doubled in price.

However, as we had our large Christmas order in several months ago, we will not be affected. Why trade with firms who carry an assortment of goods that are of inferior quality or made by the cheapest labor, when you can get the best for the same price? We guarantee every article in our store to be the very best that the Japanese market can produce and at prices that were in vogue before war was declared.

## For Ladies

We have an assortment of Articles both Useful and Ornamental that must please the most fastidious. Every lady is particular about the Handkerchiefs she uses. We have all kinds—Plain, Beautifully Embroidered, Drawn and Open Work all Colors and Sizes.

Dollies, hand painted and embroidered, Crepe Silk Sashes, Silk and Crepe Shawls, and a variety of Scarfs. We also received a large variety of Silk Dress Goods.

## For Gents

We have Silk Shirts—white and colored—either plain or embroidered; Cravats, Neckties of every variety, shade and shape, Smoking Jackets and Caps, that are a pleasure to wear, and Silk and Cotton Pajamas that are comfortable and well made; also the two extremes—Straws Hat and Slippers.

Nothing in Honolulu can approach the small order of Boots that we have. They were made by the best Japanese Mechanics, and we guarantee the quality, style, fit and finish—Calf, Patent Leather and Tan.

## Miscellaneous

Articles, such as Tea Cosies for covering Tea Services, etc. Fine Table and Bed Covers, and pretty Chair Backs we have in profusion.

Also some Menu Cards for Thanksgiving, Christmas and New Year's that are pretty and tasty.

## Children

Enjoy Christmas principally because they receive love offerings from parents and friends. A good present to give a boy is one of our Butterfly Pins, and a nice present for your girl can be had by getting one of our Books of Fairy Tales, they are made of fine Crepe paper profusely illustrated and the Stories are translated from Old Japanese Legends.

## LADIES' COLUMN.

In entering upon the New Year, we do so realizing that nothing can give the intelligent or judicious buyers more satisfaction than to have us stick to our QUICK SALES AND SMALL PROFITS SYSTEM. In has been the means of saving them money on every purchase made of us. While to us it has increased our trade from the day we adopted it.

We will have no shelves for shop worn goods. NEW GOODS, GOOD GOODS, STYLISH GOODS, and plenty of them, with a reasonable price fixed on them will be the order of this coming year's business. We want your trade and will have it, if goods and prices have anything to do with your buying. We propose to keep in touch with New York, Paris and London, at as near their prices as is consistent.

Each DEPARTMENT in the STORE will be found to contain a CHOICE and VARIED SELECTION of the NEWEST and most FASHIONABLE MATERIALS and GARMENTS of every description. We want you to get into the habit of expecting this, and inspecting our stock. It will save you time, trouble and money.

This week we have some fine INDIAN RUGS, some CARPETS and CURTAINS that you will make no mistake by buying.

## In These Chilly Mornings

the thoughts of the householder are directed towards fuel as a means of keeping warm. To get the right quality at the right price is the matter to be considered. There's lots and lots of wood for sale, but to get what is best for the money is the question.

We contend and we believe we are right in our judgment, that the wood we deliver to our patrons is the best ever offered for sale in Honolulu. Our algaroba is full growth and has more body to it than that grown anywhere on the Islands. Our wood choppers know a good thing when they see it, and in cutting they select only what they know to be good to use. We never deliver any except what is good. You take no chances whatever when you telephone us an order for wood. You get just as good as if you came to the ranch and selected it yourself.

## LUCOL :-

IS THE  
**BEST  
PAINT  
OIL!**

Save Half the Amount of Your Oil Bill Through Saving in Pigment.

Every painter should use Lucol instead of Linseed Oil, because:

1. Lucol is more durable than Linseed Oil.  
2. Lucol is more economical than Linseed Oil.

**PROOF THAT LUCOL IS MORE DURABLE.**

Six years of actual use in exterior house painting in California (the most trying climate for paints), in the burning heat of the Arizona Desert, the Arctic cold of Alaska, and on the Atlantic coast, have fully and practically shown that Lucol always outwears Linseed Oil under the same conditions. All the acid works in San Francisco have discarded Linseed Oil for Lucol.

**ILLUSTRATE THIS YOURSELF.**  
Put strong ammonia on Linseed and Lucol paints. The Linseed paints are destroyed in a few minutes; the Lucol paints are practically unaffected.

**PROOF THAT LUCOL IS MORE ECONOMICAL.**  
Break up 1 1/2 lbs. paste white lead in one pint of Lucol, and the same quantity in one pint of Linseed Oil. Spread the paints on similar dark surfaces for comparison. The Lucol paint spreads as far as and covers much better than the Linseed paint. To get equally good covering with the Linseed paint you have to use 2 1/2 lbs. of white lead to one pint of Linseed Oil. This means a saving of 1 lb. of paste lead to each pint of Lucol used, or 6 lbs. to every gallon, equivalent to your saving more than half the first cost of the Lucol.

Lucol is not in competition with cheap Linseed Oil substitutes.
